Become a Library Trustee!

A Board of Library Trustees is a group of citizens to whom the public library is entrusted. The trustees are vested with the entire custody and management of the library and advocate for the role of the library in the community.

- Do you believe in the importance of lifelong learning?
- Do you have an interest in the library and its welfare?
- Are you a lover of books and literature?
- Do you have a few hours a month to devote to the duties of trusteeship?

The Hill Public Library Board of Trustees will have two vacancies to fill in May 2021. These are elected positions and each trustee shall serve a three-year term. Although the filing period has passed, interested candidates may write in their names on Election Day.
