LIBRARY PASSPORTS

Become a great library explorer this summer! Your Newfound Library Passport (blue) is attached to this schedule. Once you get your passport "stamped" at all five libraries you'll earn your Library Explorer certificate! Additional passports are available at all participating libraries.

All programming is free and registration is not required. If you or your children plan to participate in the parade, we would appreciate knowing ahead of time so that we have enough supplies available for everyone. For more info on all library programming, please call the library at 934-9712.
